

Another Feather in the Cap of Maharaja Agrasen University: Dr. Deepak Prabhakar Bhagwat Represented Maharaja Agrasen University At Pharmaceutical Sciences World Congress Held at Stockholm, Sweden

Dr. Deepak Prabhakar Bhagwat, Professor & Director at the School of Pharmacy represented Maharaja Agrasen University in 6th FIPs Pharmaceutical Sciences World Congress-2017 held between May 21-24, 2017 at Stockholm, Sweden and presented a research paper entitled, “ **Isolation, Characterization & Immunomodulatory Potential of Agnuside: An Iridoid Glycoside From *Vitex negundo* Linn.**” This Congress is held every three years and eminent international scholars, renowned academicians; pharmaceutical scientists attend this prestigious conference. The research papers were selected from all over the world. This year, the congress was attended by more than 3000 Scientists across the world from 70 Countries. Notably Dr. Bhagwat was the only participant from Northern region and exclusively represented the state of Himachal Pradesh out of the 16 participants from India. The presented paper was highly appreciated and number of participants from other countries showed their interest in continuing their involvement for the research Dr. Bhagwat is carrying out in Maharaja Agrasen University. Appreciable that the travel grant for attending this Pharmaceutical Congress was sponsored by the management of Maharaja Agrasen University. Dr. Bhagwat is a well known figure both nationally and internationally in the field of Pharmaceutical Sciences and has previously attended many conferences abroad and in India.
