

The report of the ICSSR sponsored Two days National Seminar.

The theme of the Seminar was **“Socio- Economic & Medico – Legal Challenges in COVID 19 Pandemic- Regulatory and Policy Response”**. The objective of the Seminar was to provide a platform to all the stakeholders to put forward their views.

On Day 1 dated 28th April, 2022, the inaugural session of the National Seminar was graced by the Chief Guest Hon’ble Mr. Justice (Dr.) Shekhar Dhawan Sir, Chairperson, NRI Commission, Punjab, Thoughtful Keynote Speakers Prof. (Dr.) Nishtha Jaswal, Hon’ble Vice Chancellor, Himachal Pradesh National Law University, Shimla and Prof. (Dr.) Devinder Singh, Chairman, Deptt. of Laws, Panjab University, Chandigarh, Guest of Honor Prof. (Dr.) Sanjay Kaushik, Director ICSSR, North Western Region, Chandigarh.

On Day 2 dated 29th April, 2022, the valedictory session adorned by Hon’ble Chief Guest Sh. Mohit Chawla, IPS, SP, Baddi, Profound keynote speaker Prof. (Dr.) Sanjay Sindhu, Director UILS, Himachal Pradesh University, Shimla.

They all bejewelled the Maharaja Agrasen University with their benign presence and expertise. The National Seminar has been a fruitful event as 110 papers have been presented in four technical sessions ranging physical to hybrid mode. The Technical sessions – 1 in Hybrid mode was chaired by Prof. (Dr.) Ashish Verma, Associate Dean, Adamas University, Kolkata. In physical mode was chaired by Dr. Shubhra Chaturvedi, Associate Professor, J.V. Jain College, Saharanpur. The Technical sessions – 2 in Hybrid mode was chaired by Dr. Seema Kashyap, Associate Professor, UILS, Himachal Pradesh University, Shimla. In physical mode was chaired by Dr. Shweta Bansal, Assistant Professor, J.V. Jain College, Saharanpur. During the Seminar 2 books have been released which covered the wide range of contributions made by various authors on the thematic areas.

We hope that this National Seminar would enable us in building a critical understanding of the concept and pave a way for more congenial & humane environment in order to accelerate the potential human growth.
