

Chief Patron

Dr. Nand Kishore Garg
Hon'ble Chancellor

Patron

Prof. (Dr.) R.K. Gupta
Hon'ble Vice Chancellor

Technical Advisor

Sh. Suresh Gupta
Project Incharge

Advisory Board

- Prof. (Dr.) S. K. Mehta, Vice Chancellor, University of Ladakh
- Prof. (Dr.) Buta Singh, Vice Chancellor, Maharaja Ranjeet Singh Punjab Technical University, Bathinda
- Prof. (Dr.) J. K. Goswami, Director, UIET, PU, Chandigarh
- Prof. (Dr.) Sonal Singhal, Chairman, Department of Chemistry, PU, Chandigarh
- Prof. (Dr.) Pradeep Singh, HOD, Department of Chemistry, Shoolini University, Solan (H.P.)
- Dr. Sunil Kumar, Associate Professor, HPU, Shimla
- Dr. Pankaj Thakur, Associate Professor, JNU, Delhi

Chief Convener

Dr. Sanjay Panwar

Convener

Dr. Punita Sharma

Co-Convener

Dr. Sourav Gautam

Organizing Secretaries

Dr. Manisha Dhiman
Dr. Ajay Kumar

Executive Committee

Dr. Prianka Sharma Dr. Abhishek Awasthi Dr. Dinesh K. Sharma
Dr. Ravi K. Mishra Dr. Nidhi Shrivastava Dr. Shiv K. Giri

Editorial Board

Dr. Raj Kumar, Dr. Dipika Narula, Mr. Mukesh Kumar Verma

Maharaja Agrasen University

NAAC Accredited

Atal Shiksha Kunj, Kalujhanda, Barotiwala, Baddi, Solan – 174 103 (HP)

One-Day International Conference on Recent Advances in Green & Sustainable Chemistry

22nd December, 2022

Online mode

Organized by

Department of Chemistry,
School of Basic & Applied Sciences

About the University

Maharaja Agrasen University, founded in 2013 and inaugurated by Late Shri Pranab Mukherjee (India's 13th President), is nestled in the foothills of Kasauli, providing visitors a pollution-free environment. The university aims to be the first choice for prospective students, faculty and researchers. It aspires to assist students in development of well-versed personalities capable of critical thinking, effective communication, instilling values and global competencies in a dynamic environment. The mission of MAU is to contribute to the society through innovative and vibrant learning and research of highest international levels. The university is comprised of 5 schools which offer undergraduate, postgraduate and Ph.D courses in various disciplines.

About School of Basic & Applied Sciences (SBAS)

'Dare to Dream' is the enduring mantra of SBAS. The School comprises a unique constellation of varied disciplines of sciences. The school is providing Ph.D. courses in Biotechnology, Chemistry, Environmental Sciences, English, Mathematics, Physics and Zoology. SBAS serves as a platform to the budding researchers for conducting new and cutting-edge research in all the fields of basic and applied sciences. The school also aims to impart best knowledge to the undergraduate and postgraduate students so that they may get vast opportunities for their future endeavours.

About the Department of Chemistry, SBAS

The Department of Chemistry is dedicated to excellence in education, research and public service. Department is providing two postgraduate courses in Chemistry and Pharmaceutical Chemistry. The faculty members of the department are engaged in state of the art research as well as guiding Ph.D. and M. Sc. students.

About the Conference

Green Chemistry is a rapidly emerging field that reflects the efforts of academia and industry to address the challenges related to sustainable development of the chemical industry. The purpose of this conference is to bring the most recent information to scientific community, so we can accelerate the change for the better and minimize the damage that humans have already caused to the planet. The conference will provide a platform to bring together leading academic scientists, researchers and research scholars to exchange and share their research outcomes in the field of green and sustainable chemistry.

Conference Tracks

- Chemical Education, Sustainable Chemistry & Environmental Sciences
- Recent Developments in Greener Synthesis & Phytochemistry
- Photochemistry & Catalysis
- Agricultural, Analytical, Industrial & Pharmaceutical Chemistry
- Nanotechnology for Sustainable Development
- Recent Developments in Material Sciences
- Drug Discovery and Designing

Call For Abstracts:

- Authors are requested to submit the abstract (150-250 words) for oral as well as poster presentations related to the scopes covered in ICragSC- 22 through the e-mail id: icragsc2022@mau.edu.in
- Last date for abstract acceptance is **18th December 2022**.

Registration details: All payments should be made in favour of MAHARAJA AGRASEN UNIVERSITY COWOSE A/C.

Bank name: Axis Bank Ltd.

Account No.: 922010020129990

Branch code: 2381, IFSC code: UTIB0002381

Registration Link: <https://forms.gle/kVscedzNWYCJf1xA9>

Category	Registration fee
Students	INR 100
Research Scholars	INR 200
Faculty/ Scientists	INR 200
Industry Professionals	INR 500

Abstract submission open: November 25, 2022

Abstract submission deadline: December 18, 2022

Abstracts should be mailed at icragsc2022@mau.edu.in

Contact Person: Dr. Ajay Kumar (+91-8219419289)

Dr. Manisha Dhiman (+91-9876756641)
