## ABOUT MAHARAJA AGRASEN UNIVERSITY

Maharaja Agrasen University established in the year 2013, was inaugurated by Shri Pranab Mukherjee, Hon'ble President of India. MAU wishes to be acknowledged as a value-based campus where students, faculty and staff are creatively and actively engaged in scholarly activities of relevance to the community at large. Committed to the cause of holistic development of students, the University endeavors to foster equality, initiative, integrity, and excellence while maintaining highest level of consciousness, civility and humility. MAU offers various Diploma, Undergraduate, Postgraduate and

Doctorate Level courses in a wide variety of fields like Basic & Applied Sciences, Law, Management, Pharmacy, and Technology.

Centre of Excellence in Nanotechnology (CoE) of Maharaja Agrasen University is a research centre dedicated to the advancement in the field of nanotechnology. It is an interdisciplinary research hub that brings together researchers, faculty members, students, and industry partners to develop innovative solutions to real-world problems. The centre aims to enhance the understanding of nanotechnology through cutting-edge research, to develop new materials, devices, processes that can transform industries, and to train the next generation of scientists and engineers in this field.

## ABOUT KHWAJA MOINUDDIN CHISHTI LANGUAGE UNIVERSITY

Khwaja Moinuddin Chishti Urdu Arabi-Farsi University or Khwaja Moinuddin Chishti Language University is a non-profit public University located in Lucknow, Uttar Pradesh, India recognized by UGC and AICTE. The University was named after Sufi Saint Khwaja Moinuddin Chishti of Ajmer who is known all over the world for his benevolence and magnanimity. Vision of the university is to achieve excellence in language, education, research and innovation that grooms learners into becoming productive, responsible, ethical, creative and compassionate members of society. The university runs various UG, PG, PhD, and diploma programs like B.A., B.Ed, M.A., MBA, MCA. The university also offers self finance courses such as B.Tech., B.Sc, MBA, LLM, etc.

## ABOUT SAIF-CIL, PANJAB UNIVERSITY

SAIF-CIL formerly known as RSIC at Panjab University, Chandigarh was incepted in the earlier years of the 6th Plan. The complete facilities of SAIF-CIL & UCIM are working in unison in the service of research and also for imparting practical training to the students through workshops. The centre also undertakes the design fabrication and repair of electronic instruments required by students and teachers in neighboring universities and colleges. It also runs training programs in technical skills for the benefit of scientific community and associated laboratory staff from different institutes.

## ABOUT THE WORKSHOP

In recent years, field of nanoscience has seen rapid growth in new techniques for synthesizing and characterizing nanomaterials for diverse applications. This workshop will focus on prospective applications of nanomaterials for sustainable future. It will feature talks by leading experts in the field of nanomaterials, as well as panel discussions. Participants will have the opportunity to network with other researchers and learn about the latest developments in the field of nanomaterials. Participants will get an opportunity to visit various experimental facilities of SAIF-CIL, Panjab University, Chandigarh. We look forward to welcome you to this exciting and informative workshop, and hope that you will join us in exploring the frontiers of nanotechnology.
