

Best Practices

Faculty Development/ Advancement Programme:

Since its inception the university has maintained an uninterrupted tradition of organizing faculty development and enhancement programs every year. The collaborative practice not only provides a solid foundation for determining the pedagogical competencies that the teachers require to develop and the support they need but also helps to build joint commitment across the faculty to improve the quality of teaching. The faculty development program includes workshops, interactive sessions and motivational lectures from eminent persons from academia and industry on topics like Role of Information and Communication Technology in Teaching, Sharing Best Practices of the top institutions of international repute, Spiritual Qualities of Teachers, Team Building Capacity of Teachers in the Global Perspective, Interpersonal Effectiveness, Art of Living , Holistic Transmission of Knowledge etc..These initiatives accustom the teachers with updated Teaching –Learning Practices and also the need for cultivating right attitude apart from instilling a research aptitude for promoting personal and professional progression.
