

Govt. of India has launched an ambitious plan named as “Yuva Yojna Udyanita Vikas Abhiyan” under PMYY. It aims to create an enabling ecosystem for Entrepreneurship Development through entrepreneurship education and training across the country in select institutes of higher learning. Under this plan, the students will get access to robust network of peers; incubators through an online programme, focus will also be on Entrepreneurship Promotion & Social Entrepreneurship.

Maharaja Agrasen University being a partner to this programme is also enrolling students for this programme. All the students who are willing to contribute in this programme are requested to contact **Dr. Inder Prakash Deptt. Of Math**, Phone No. 7832929320 . The programme will commence from January, 2018.
